### Author Bio (101 words):

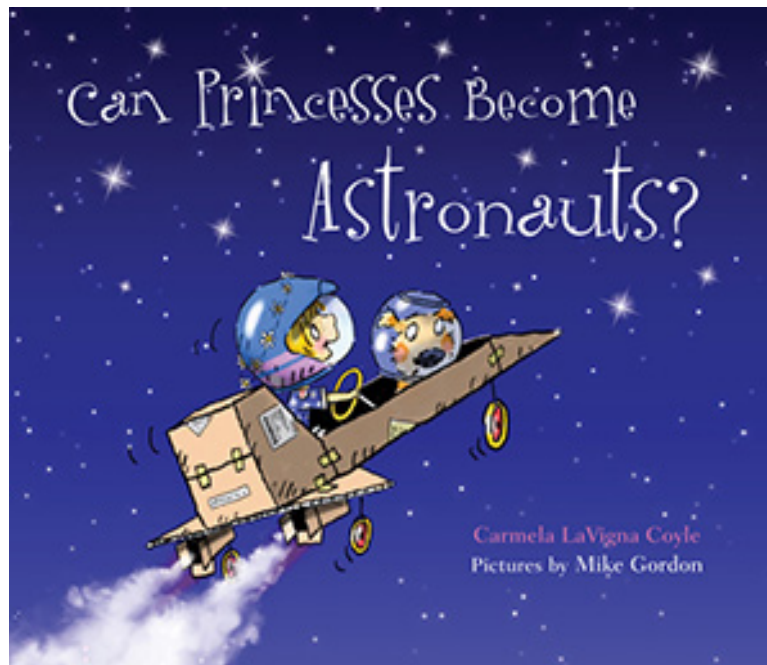

Carmela LaVigna Coyle is an award-winning author of several picture books, including the popular *Do Princesses Wear Hiking Boots?* series illustrated by Mike Gordon. Her picture books, featuring various illustrators, encourage creative thinking, asking good questions, exploring nature, and healthy self-esteem. She believes the humble picture book might very well be a child's first glimpse of poetry, prose, and art. Carmela has a degree in Elementary Education and Art. Her upcoming book, *Can Princesses Become Astronauts?* explores a bucket list of empowering possibilities. She lives in Colorado with her husband and pup, while her two children are off exploring their twenties.

Barb B. (Bookseller) 5 star

My kids love the princesses books. Living in a resort area, you know I'll be ordering this book. It will go on my Local Interest for Kids end cap. The illustrations are sweet and it is a story that kids will enjoy. This is a must for a bookstore by the beach!

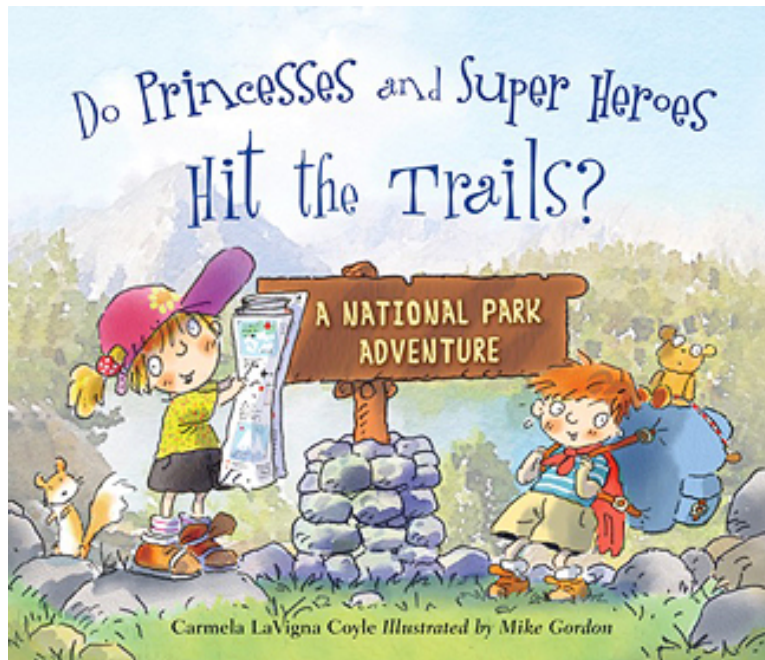

Ryan A.F. (Librarian ) 4 star

I just love this series. This time the princess and prince are having a day at the beach. Their day is full of rhyming questions and answers and adorable graphics that readers have come to expect. Another book in a lovely lineup.

Julie V. (Librarian) 5 star

This is for every child that is in love and awe of the ocean. Fun rhyming text and cute quirky pictures make this book a fun read. It captures all the magic a child imagines while at the beach. Loved it.
