

Princess & Prince Cocoa

From the kitchen of Carmela LaVigna Coyle

1 Tablespoon unsweetened bakers cocoa
1 cup milk of choice
1 1/2 tablespoon raw sugar
A couple drops of vanilla
pinch of sea salt

Place milk in a small saucepan over very low heat. As milk warms, add 1 T cocoa and 1 1/2 T sugar. Whisk until smooth. Add vanilla, salt. Whisk-whisk-whisk. Heat through, but do not boil. Add a smidgeon more sugar, if needed.

(Recipe easily multiplies for a group.)
